Comhairle Laighean

A Chairde,

Tá áthas orm, ar son Chomhairle Laighean, siollabas Oireachtas Rince Laighean 2017 a sheoladh chughaibh. Is í an t-Oireachtas an ocaid is tabhachtaí dúinn i rith na bliana agus táimid ag súil go mór, mar is gnáth, le bhur dtacaíocht. Táimid ag súil freisin go mbainimid go léir taitneamh as an seachtain seo.

I'm very happy, on behalf of Comhairle Laighean, to send you the syllabus for the qualifying section of Oireachtas Rince Laighean 2017. "The Leinsters" is the most important occasion in our regional calendar and we, as a council, are looking forward to welcoming you to the Oireachtas and to your continued support. We would like to take this opportunity to thank all teachers in the region for their support of the graded section in June 2017.

The venue for our Championship weekend will be the City West Hotel & Conference Centre.

New for 2017 is the addition of the new age groups for Ladies Competitions, Ladies 20-22 and Over 22. Qualifiers in both of these new age-groups will now be calculated as follows: 5 qualifiers in the first 20 and 1 for every 10 entries thereafter. Except for the Under 10 Ceili Championship all teams will all dance Part B. Our under 7 competitions will now be a championship, judged by the full panel.

Once again we will have no recall in our championships. Instead all dancers will be afforded the opportunity to perform their set dance. There will also be a preliminary section incorporated into the girls' championships from U/8 to U/17. This will be based on the first two rounds of the competition and entry is subject to the Leinster Rule for Preliminary Championships. The third rounds of the championships are optional for preliminary dancers. Please ensure that you tick the box to include a dancer in prelim. The onus is on the teacher to tick the box for each dancer eligible to avoid tabulation problems on the day. We will not be in a position to re-tabulate results once they have been announced.

We are once again using the online entry system via www.feisentry.com for our entries for the Leinsters. Hopefully everyone is becoming more familiar with the system and it should cause no problems. The team at Feis Entry is more than happy to assist anyone experiencing any difficulties. Just contact them for help if needed. Anyone who has not used the system before is advised to register once the online system is open in case you have any problems getting set up for the first time. This will avoid any last minute problems and ensure that your entries are submitted on time. Please note that all entries submitted online must be paid for.

The success of the Oireachtas depends heavily on sponsorship and advertising and we would be very grateful if you or businesses known to you would consider sponsoring competitions or placing an advertisement in the official programme. Our programme will be A5 size & full page advertisements will cost €100, half page €60. Sponsorship of championships is available at €250, to include a coloured advertisement. Teachers may avail of a special rate of €60 for a full page and €40 for a half page. Banner space will also be for sale on the Comhairle website, www.leinsterdancing.com. Please e-mail info@leinsterdancing.com for further information.

I look forward to seeing you all at Oireachtas Rince Laighean 2017 & would like to take this opportunity to wish all teachers & dancers the best of luck at the event.

Is mise le meas,

Eileen Fagan Gargan

Cathaoirleach Comhairle Réigiúnach Laighean

RIAIACHA

1. All dancers resident in the province of Leinster (excluding Louth), who wish to participate in Oireachtas Rince Na Cruinne 2018 must compete at Oireachtas Rince Laighean 2017. Dancers who have attained medal-winning places at Oireachtas Rince Na Cruinne 2017 and compete in the relevant qualifying championship at Oireachtas Rince Laighean 2017 will be deemed qualified thereby.

2. Qualifying for Oireachtas Rince na Cruinne will be determined as follows:

a) All Competitions except Number 1

Five qualifiers from the first twenty or part of twenty competitors who participate in the appropriate championship plus one additional qualifier for ten or part of ten competitors thereafter.

a) Competition 1

Seven qualifiers from the first twenty or part of twenty competitors who participate in the appropriate championship plus one additional qualifier for five or part of five competitors thereafter.

3. **Age Limits**

The age of a competitor shall be taken as on 1st January 2017.

4. **Age Concessions**

a) A teacher may include in a team, a number of dancers not exceeding 25% who are under the stipulated age without seeking prior permission provided the names of such dancers are included with the entry. These dancers may also compete in their own age group in either a mixed or unmixed team, but not in both. Such dancers may compete in both mixed and unmixed teams in the higher age group but cannot then also compete in their own age group.

b. A teacher may include in a team more than 25% under age dancers provided that:

- (i) The permission of the Comhairle is obtained and the names of under age dancers are furnished with the application.
- ii) The number of dancers does not exceed 75% of the team, and
- iii) Not more than **50%** also compete in lower age group.

5. **Céilí and Figure Dancing**

- a) No dancer may compete in more than **three** Céilí Championships at the Oireachtas.
- b) No dancer may be a member of more than one team in any one competition.
- c) In the case of Céilí and Figure Dance Competitions teams must compete in the area where the majority reside or in a 50/50 split, the teacher chooses the area. Details of all team members not resident in Leinster must be forwarded with entries.

6. In the case of Céilí Championships and subsidiary team competitions, girls who are members of mixed teams may also take part in unmixed competitions.

7. In order for a teacher to be eligible to enter teams in all Céilí Championships at Oireachtas Rince na Cruinne 2018 at least the same number of teams taught by that teacher must compete at Oireachtas Laighean 2017. This rule will apply to all age groups and to mixed and unmixed teams although the teams need not consist of the same eight dancers.

8. In the case of Championships competitors will dance for 48 Bars of music in the Reel and Jig and for 40 Bars in the Slip Jig and Hornpipe. Championships will all commence with the Heavy Dance Round.

Dancers who do not present themselves for competitions immediately they are called may forfeit their chance to compete. Dancers must dance in accordance with the numerical system decided by Comhairle Laighean.

In all championships **ALL** dancers will perform one light dance and one heavy dance and one set dance. All Set Dances must be on the list of authorised Set dances. **There will be no recall.**

10. All solo competitions are confined to dancers resident in Leinster (excluding Louth).
11. A dancer who fails to complete one of the dances in the first two rounds will not appear in the third round.
12. With regard to toe movements, no block, en pointe, stationary or moving is allowed to be performed for all ages up to under 12. Dancers who compete under 13 from 1st January 2018 may perform en pointe movements from September 1st 2017.
13. In all competitions all competitors will perform their set dances. A dancer who fails to complete all three rounds of a championship cannot appear in a medal winning position.
14. In the case of set dances, introductions will be played only once and a dancer must set his/her speed during the one playing. Where a metronome is used, no variation of the speed of the music will be permitted once dancing is due to commence. The onus of ensuring that the stage steward is informed of the correct name and metronomic speed of the set dance will rest with the dancer. Should a dancer submit an incorrect metronomic speed to the stage steward and commence dancing at that speed, then the dancer must continue to dance at this speed as no further opportunity of tempo change will be afforded.
15. In all competitions, competitors must commence their dance in the first two rounds from the designated starting points. In the set dance round a competitor may choose his/her starting point.
16. Should a dancer lose a heel or a complete shoe or their lace opens, he or she must stand back allowing the other dancer where applicable to continue dancing uninhibited. In such a case the dancer concerned will be permitted to re-dance as soon as it is deemed practicable by the stage steward. An Comhairle will, as far as is practicable, provide a stage surface suitable for dancing. However, An Comhairle cannot accept any liability for injuries sustained while on stage. The lodgement of an entry will be deemed to be acceptance of this provision by a dancer.
17. Should a dancer fall on stage, the adjudicator must ring the bell to stop the performance of the dancer(s). Should a majority of the adjudicator panel so decide, dancers so affected will be permitted to re-dance. Should, in the opinion of the stage steward, having obtained medical advice if necessary, a dancer be unfit to re-dance, and if such dancers insist on his or her right to do so then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating An Comhairle from any liability for the consequences. Any repeat accident or incident which results in that dancer being unable to complete the required number of bars in any round will result in the dancer withdrawing without question from the championship.
18. All dancers should be shown the same level of respect. Exaggerated cheering or whistling for individual dancers or teams after their performance is not permitted.
19. In any situation not covered by these rules, the rules for qualification from the syllabus of Oireachtas Rince na Cruinne will apply.

Comhairle Laighean
